

VIRTUE FOUNDATION - FACILITY ASSESSMENT REPORT

Date: February 7, 2026
Assessor: Dr. Sarah Osei

1. FACILITY DETAILS

Facility Name: Hope Valley District Hospital
Location: Northern Region, Tamale District, 15km east of Highway N2.
Type: District Hospital serving approx. 20,000 residents.
GPS Coordinates (Est.): 9.4075 N, 0.8534 W

2. SITE OBSERVATIONS

Upon arrival, the facility appeared clean but overcrowded. We met with the Medical Superintendent. The power supply is unstable, relying on a backup generator that fails frequently.

Staffing is currently adequate for general care but lacks specialists. There are 3 General Practitioners and 8 Nurses on duty. However, the surgeon is only available on Tuesdays. Specialties available: Pediatrics, Maternity, General Medicine.

3. CRITICAL EQUIPMENT INVENTORY

- X-Ray Machine: BROKEN (Tube failure, awaiting parts since Jan 2025)
- Ultrasound Scanner: FUNCTIONAL (1 unit, GE Logiq)
- MRI Scanner: NONE
- Incubators: FUNCTIONAL (2 units in Neonatal Ward)
- Oxygen Concentrators: FUNCTIONAL (3 units)

4. CRITICAL SHORTAGES & RISKS

URGENT: Severe shortage of Anti-Malaria drugs (Artemether).
URGENT: No surgical gloves remaining in stock.
